Last updated: July 1, 2026

These Terms of Service and Agreement govern your use of any services provided by Eclectic Records LLC. By accessing our services, you agree to abide by these Terms of Service and to comply with all applicable laws and regulations. If you do not agree with these Terms of Service, you are prohibited from using any services provided by Eclectic Records LLC.

We, Eclectic Records LLC, reserve the right to review and amend any of these Terms of Service at our sole discretion. Upon doing so, we will update you. Any changes to these Terms of Service will take effect immediately from the date of publication. These Terms of Service were last updated on July 1, 2026.

User-Generated Content

You retain your intellectual property ownership rights over content you submit to us for publication and through our partners or freelancers. We will never claim ownership of your content, but we do require a license and agreement through your acceptance of this contract in order to use it.

When you use our services to post, upload, share, or otherwise transmit content covered by intellectual property rights, you grant to us a non-exclusive, royalty-free, transferable, sub-licensable, worldwide license to use, distribute, modify, edit, run, copy, publicly display, translate, or otherwise create derivative works of your content in a manner that we wish.

The license you grant us can be terminated at any time by requesting us to delete your content prior to your works being published through our services. However, to the extent that we (or our partners) have used your content in connection with commercial or sponsored content, the license will continue until the relevant commercial or post has been discontinued by us.

Liability / Service Offering Details

Although our clients have had success with various services, we cannot guarantee specific outcomes in any sense such as social media verification or top Google rankings, as these are beyond our control. Therefore, we do not guarantee verification on social media platforms or top rankings in search engines for any phrase, including names or brands.

The volume of traffic generated from our articles is variable, and we do not promise any leads or purchases. While most offerings and websites will publish material within 14 to 60 days, some may take up to six months or longer. Eclectic Records LLC cannot be held liable for any such delays and timeframes.

Older articles may be removed or backdated by the respective websites to maintain current content. This process typically occurs within three to twenty-four months, but the timing is beyond our control.

Our service is independent and not affiliated with any of the news organizations listed on our site. We will use the information provided to attempt publication on the selected websites. We reserve the right to offer alternative websites if others become unavailable or change. You grant Eclectic Records LLC and the publishers permission to edit sentences, words, and other elements related to the subject matter to suit the publication. While every effort will be made to use the provided images, we cannot guarantee their inclusion. If an article cannot be published, you may opt for a credit refund valid for one year. We will notify you within thirty days if this occurs. Once published, articles cannot be edited. We disclaim responsibility for errors in publications caused by us, partner sites, or clients. By using our service, you acknowledge that we work with the information provided and strive for publication to your satisfaction, though this may not always be achieved.

Disclaimer of Warranties

Our website and materials are provided on an 'as is' basis. To the extent permitted by law, Eclectic Records LLC makes no warranties, expressed or implied, and hereby disclaims and negates all other warranties, including without limitation, implied warranties or conditions of merchantability, fitness for a particular purpose, or non-infringement of intellectual property or other violation of rights.

In no event shall Eclectic Records LLC or its suppliers be liable for any consequential loss suffered or incurred by you or any third party arising from the use or inability to use our services, including your published works, even if Eclectic Records LLC or an authorized representative has been notified, orally or in writing, of the possibility of such damage. We are not responsible for claims made by third parties or affiliates directing traffic or clients to Eclectic Records LLC and our services.

Website and Company Links / Published Article Links

Some published links or articles may not be indexed by the hosting website and may include disclaimers such as "In Partnership," "Sponsored By," or other markings, at the discretion of the publishing website. Eclectic Records LLC cannot guarantee the presence or absence of such markings, and by using our services, you agree to this condition. These markings cannot be edited, changed, removed, or deleted.

Right to Terminate

We may suspend or terminate your right to use our website and terminate these Terms of Service immediately upon written notice to you for any breach of these Terms of Service.

Severance

Any term of these Terms of Service which is wholly or partially void or unenforceable is severed to the extent that it is void or unenforceable. The validity of the remainder of these Terms of Service is not affected.

Disclosure of Personal Information to Third Parties

We may disclose personal information obtained to:

- Credit reporting agencies, courts, tribunals, and regulatory authorities in the event of non-payment for goods or services;
- Courts, tribunals, regulatory authorities, and law enforcement officers as required by law in connection with any actual or prospective legal proceedings or to establish, exercise, or defend our legal rights.
